

"So if the Lord won't deliver on this deal, I'll make a pact with satan — I'll forfeit my soul and die to eternity, just give me Stack, the world, and all that's in it.
Welcome to my satanwake!"

Is living worth more than life itself?

TECHNO THRILLER

A struggling pharmaceutical firm needs a major breakthrough to survive. Led by a CEO desperate to achieve the fame and fortune he had always expected but had not yet gained, he and his firm are running out of time. Then a reclusive businessman appears and offers to make a deal. With no other options, the CEO strikes a bargain with his new mentor.

But did he sell his soul to satan?
